Language Planning in Indonesia: Current developments

[Vortrag in englischer Sprache]

Luh Anik Mayani received a doctoral degree in Linguistics from University of Cologne, Germany and is currently the Director of SEAMEO QITEP in Language (SEAQIL). She focuses on managing and developing SEAQIL's sustainability to improve the quality of language teachers and education personnel in Southeast Asia. Above all, she is a language researcher. Some of her latest publications are "Affricates, Nasal-Obstruent Sequences and Phrasal Accent in Tajio" (2016) in *Linguistik Indonesia*; "Word class classification in Tajio" (2017) in *NUSA Linguistic studies of languages in and around Indonesia*; and "Consonant Geminates in Simalungun Language" (2017) in *Linguistik Indonesia*. In addition, she is the current President of Indonesian Linguistics Society.

am Dienstag, dem 22. Juni 2021, um 12.00 Uhr c.t.
