Version: 2 October

The Mittelbau colloquium-Empirical Social Research is a colloquium that takes place every semester at Goethe University. Here, graduate students and post-docs interested in empirical social research get together to present and discuss their current research in a between-peers setting. Should you have any questions about the Mittelbau colloquium, the program of presentations or our mailing list, please contact Rosa Daiger von Gleichen [daiger-von-gleichen@soz.uni-frankfurt.de](mailto:daiger-von-gleichen@soz.uni-frankfurt.de) or Paul Sinzig [sinzig@soz.uni-frankfurt.de](mailto:sinzig@soz.uni-frankfurt.de)
