The links given overleaf will lead you to the relevant Faculty where you can find comprehensive information on the programme of your choice. For all Master programmes there is information in English and German available.

Application and admission

For admission you must meet the entrance requirements of your respective Faculty. Therefore, any specific inquiries related to your qualifications have to be addressed to the Student Advisory Services of your prospective Faculty (see Master's portal and click "Overview...").

To know more about course content, focus areas, career opportunities, etc., you may also contact the Student Advisory Services of the relevant programme.

Please check our Master's portal and click the respective link for the programme of your choice. Information on the general application and admission procedure (deadlines for application, starting dates, etc.) can be found here, too.
