

Apartment (95m²) in Frankfurt's Westend to sublet from April to August 2013

During my sabbatical from April 1 to August 31 2013, I am subletting my completely furnished apartment located in Frankfurt's Westend. The rental period within that time should be at least 2 months.

The apartment is on the 2nd floor of a quiet, five-story apartment building, perfectly located within a 5 minute walk from Campus Westend and a 10 minute walk from the city center; grocery stores & little boutique shops are just around the corner. The apartment is in total 95 m² (1022 ft²), has 3 rooms (living room, bedroom with a double bed, office room with a large desk) plus two balconies (1 facing East, 1 West). The fully equipped kitchen has a washer-dryer combo, and the large bathroom is equipped with a shower, a bathtub and a double wash basin. The apartment has a flat screen TV, DVD, and wireless LAN.

The monthly rent for the apartment including all amenities is 1.590 EUR; a covered garage located in the back of the house can be rented for 100 EUR extra.
