For all Master programs there is information in English and German available on the Master’s portal of our website (see link below).

Master’s Portal

http://www2.uni-frankfurt.de/36351994/overview

The link above offers general information about the content of the programs you are interested in. In addition, you will find other important details, e.g. focus areas, career opportunities as well as the application and admission procedure including deadlines, language requirements etc. You may contact the Student Advisory Services of the program of your choice if you need additional information about your personal eligibility or other matters.

Future development at Goethe University:

Please note that in the near future additional Master programs will be offered at our University. Therefore, even if the list overleaf does not meet your interest, it is recommendable to visit our Master’s portal again in due time.
