

GWC's Book Swap at guest house Beethovenstraße 36

We are happy to announce that the GWC has established a new service for international researchers at Goethe University: the GWC-Book Swap. Inside our guest house at Beethovenstraße 36 you will find a book shelf containing used books mainly in English language.

You are cordially invited to drop by and exchange your own used books for other used books in the shelf. If you have Non-German books you want to get rid of, you might just bring them to any of GWC's branches to share them with other international researchers.

The Book Swap is open to the public during the opening hours of the guest house **(Mon.-Fri. 9 am – 3.00 pm)**.
