This workshop will be hosted by the ***institute for pure & applied mass spectrometry (ipaMS)*** at the University of Wuppertal. The workshop is free of charge for members of a university or other accredited research organization. Please return the registration form to one of the correspondence addresses (see below) **by January 15th, 2016**.

To tailor the workshop it would be great if you could please provide us with the following information:

Topics related to mass spectrometry, which I am interested in:

Mass spectrometers I have worked with:

Ionization methods I have worked with:

date

signature

correspondence to:

Dr. Sonja Klee (klee@tofwerk.com) or

Dr. Hendrik Kersten (hkersten@uni-wuppertal.de)
