The Editors' Perspective

Trainer

Valerie Teng-Broug

Sr. Publisher Life Sciences,
Elsevier

Based in Amsterdam, the Netherlands, Valerie holds a degree in Communication. She has worked for Elsevier since 1995, holding various publishing positions, working on both journals and books series within the fields of Economics, Econometrics, Mathematics and most recently in Biochemistry and Biophysics.

Objective

To understand the publication process – from metrics to ethics – and successfully publish your research in a competitive market.

Description

How to get published

- Before you begin and how to get your research noticed
- Bibliometrics
- Writing your paper
- The editorial process
- Responsibilities of the author (and what not to do)
