

## Goethe's Book Xchange on Campus Westend

We are happy to announce that the GWC has established a new service for international researchers at Goethe University: Goethe's Book Xchange. On Campus Westend you will find an open bookcase which is intended exclusively for the exchange of English and other non-German books. With that bookcase the GWC wants to make a valuable contribution to the internationalization of Campus Westend.

Goethe's Book Xchange works according to the principle "give and take". Anyone who would like to read a book is cordially invited to take it and to give it back after reading - or even to keep it. The GWC would be pleased with book donations and - of course - with the lively usage of our bookcase.

Goethe's Book Xchange is located between Casino and PA building close to the GWC office and is accessible to the public round the clock.
