

A person's hands are shown holding a globe of the Earth. The globe is the central focus, with continents and oceans visible. Overlaid on the globe is handwritten text in a dark, casual font. The text lists benefits of being a language assistant. The background is a soft-focus image of a person's face and hands.

We offer:

- unique experience abroad
- exciting opportunity to apply and improve your language skills
- valuable teaching experience and insights into another education system
- monthly salary
