Objective

To obtain an insight into field-specific criteria of academic writing and publishing in the fields of Economics and Finance.

Description

Writing a paper in your area of research within economics or finance, submitting it for presentation at suitable conferences and identifying appropriate journals for publication of the paper requires specific knowledge of the writing, presentation and publication process in Economics and Finance.

This workshop will provide participants with an introduction to the following topics:

- Hallmarks of successful papers in Economics and Finance
- Websites and working paper series
- Conferences in Economics and Finance: Overview
- Selecting conferences and benefitting from them
- Journals in Economics and Finance: Overview
- Submission to journals

This workshop complements our general workshops on scientific writing. We strongly recommend attending one of those workshops to obtain an extended knowledge of scientific writing and publishing.

The workshop takes place at Campus Westend.
