UpGRADE Your English 1

Objective
The aim of this course is to enhance and further develop your written and spoken academic English skills, making it much easier for you to write and speak effectively in both academic and professional environments.

By the end of the course you will be able to
- structure your ideas to write clear sentences and cohesive paragraphs,
- use an academic writing style characterised by precise, concise and formal language,
- report on previous research and assess its importance,
- recognise and use different techniques in academic texts,
- play an active role in discussions - disagreeing and agreeing tentatively and presenting your arguments in a both concise and convincing manner,
- engage in small talk using appropriate registers.

Description
The course will consist of 4 workshop days to take place
Saturdays from 10 a.m. - 2 p.m. on 19 October
02 November
16 November
30 November

This course offers you the opportunity to build on your academic writing skills as well as enhancing your speaking skills. In this course, you will write your own texts, review literature, improve texts and practise advanced grammar. You will have the opportunity to submit work and will receive feedback. You will also give feedback to fellow students and receive feedback from them on your writing.
You will have the opportunity to improve your speaking skills in different scenarios by taking part actively in discussions and role plays.

Methodology
The course is both interactive and practical providing ample opportunity to practice both writing and speaking skills in a relaxed atmosphere.
