Dear international researchers,

the Goethe Welcome Centre is again looking for your favorite photography of Hessen or Frankfurt under the motto "Seeing Hessen"!

Send us your most impressive photo about your new place of work and residence.

The Goethe Welcome Centre will symbolically award the first three choices.

The best five photographs will be displayed in our premises on Campus Westend (Bauleitgebäude, between PA Building and Casino).

The team of GWC is very much looking forward to your contributions!

If you like to participate, please send **max. 3** pictures (format: jpg or jpeg, minimum size: 10 MB (100-300 dpi)) to d.hardt@em.uni-frankfurt.de until 30 September 2019.
