

The Faculty of Medicine of the Goethe University Frankfurt am Main, Institute for Cardiovascular Physiology invites applications for the following position as civil servant or public employee starting as soon as possible:

Professorship (W2) for Cardiovascular Regulation

The tasks of the professorship include representing the subject in research and teaching. We are looking for a researcher who is internationally recognized, covering at least one of the research fields of the Institute and/or the cardiovascular center of excellence of the medical faculty (e. g. cardiovascular epigenetics, RNA biology, cellular metabolism, cardiovascular heterogeneity, angiogenesis or vascular organ specification, neurovascular interface) as documented by high-ranking publications. A tight interaction with the other groups within the center and an interest in bioinformatics is expected.

Requirements for applications are a university degree in human medicine or natural sciences, a doctorate, a habilitation or proof of equivalent scientific achievements, which may also have been achieved as part of a junior professorship or at a non-university institution. Experience in leading a research group and teaching and a successful track record in acquiring external funding are expected.

The formal hiring requirements are defined in sections 67 and 68 of the Hessian Higher Education Act (Hessisches Hochschulgesetz).

Goethe University is an equal opportunity employer, committed to diversity and inclusion. In particular, we are welcoming applications by qualified women and people with a migrant background. At Goethe University, a special emphasis is placed on creating and sustaining a family-friendly work and research environment. Where applicants are otherwise equally qualified, preference is given to candidates with disabilities or equivalent. The same applies to women in fields in which they are under-represented.

To apply, please send a CV, a list of publications, an overview of your research and teaching activities as well as transcripts and course evaluations as a single PDF document according to the faculty guidelines (<http://www.uni-frankfurt.de/60005087/berufungen>) by 12th September 2022 to the Dean of the Medical Faculty: Bewerbungen-Professur13@kgu.de. For further information, please contact Prof. R. Brandes (brandes@vrc.uni-frankfurt.de). Further information about the appointment process, the legal framework and data protection www.vakante-professuren.uni-frankfurt.de. Application documents will not be returned after the procedure has been completed.
