### ERASMUS Nomination and Application Procedure

Deadline for student nominations by your international office is May 15th for the winter term and November 15th for the summer term. Nominations must be submitted to Ms Julia Freier and also to the respective departmental coordinator (see link on page 1). Please provide correct email-addresses of all nominated students as further correspondence will take place per email.

Once nominated by the sending institution students are required to fill in the online ERASMUS application form. The online application form will be made available by Mid-April for students coming in the fall term, and by the beginning of November for students coming in the summer term. After transmitting the online application, students have to generate the application form as PDF document with Adobe Acrobat and have it signed by their coordinator before uploading it in their personal work-flow.

Please note: The online application is only valid if signed and stamped by the home university!

Complete student documents must reach Ms Freier by June 15th for the winter term or December 15th for the summer term at the latest.

### Subject Area Information

Please always state the ERASMUS subject area of the nominated students! If your students want to study in a field of study /department outside of our cooperation, they need to contact the departmental coordinator of this cooperation as well as the department they wish to study in. If both coordinators agree then please forward this information to Ms Freier.

German Language Courses

In September and March, before the start of term, Goethe University offers an Intensive German Language Course ("DIA") designed especially for visiting students. The course is free of charge for Erasmus students.

**Students who want to enroll in the language course have to indicate it on the online Erasmus application form.**

Since the summer semester 2019, a course for level A1 will also be offered for guest students. Nevertheless, **B1** remains the official minimum level required by Goethe University.

**During the semester** the “Internationales Studienzentrum” offers various German language courses (“studienbegleitende Deutschkurse”), even a course for level A2.

Students can find the schedule in the course catalogue -> course overview -> other courses -> Internationales Studienzentrum -> Deutsch im Studium -> Kurse für Programmstudierende (Erasmus). Students need to enroll through QIS/LSF ([https://qis.server.uni-frankfurt.de](https://qis.server.uni-frankfurt.de)). Students can contact the German as a foreign language department (Internationales Studien- und Sprachenzentrum (ISZ)) ([deutsch-im-studium@uni-frankfurt.de](mailto:deutsch-im-studium@uni-frankfurt.de)), for any questions pertaining to the courses and how to register.

**Recommended language skills**

The sending institution, following agreement with our institution, is responsible for providing support to its nominated candidates so that they can have the recommended language skills at the start of the study or teaching period. If nominated students do not reach the required level, they should contact their departmental coordinator at Goethe University, in order to check if exceptions are possible or not. The decision should be forwarded to Ms Freier.
