GWC's German Language Courses for International Researchers at Goethe University during the summer semester 2020 – **Online**

Due to Covid-19, the upcoming weeks will be very different from how we usually design our summer semester. Normally, we would now advertise our new German language courses for international researchers during the summer semester 2020, which would take place on Campus Bockenheim.

Instead, we would like to cordially invite you to join the classes in online version:

1. **Deutsch im Alltag I – Every Day German I**
   
   When: Mondays, 6:30 -8:00 p.m., start: 20 April 2020  
   (no class on Monday, 13 April 2020, due to Easter Monday!)

2. **Deutsch im Alltag II – Every Day German II**
   
   When: Thursday, 6:30 -8:00 p.m., start: 16 April 2020

If you do not have any prior German language skills yet, please register for the course **Every Day German I**. If you have already completed level A1 (but not more than this), the course **Every Day German II** is suitable for you.

For registration, please contact Ms. Shevtsova only: shevtsova@em.uni-frankfurt.de

Please note that the courses require a minimum number of participants of 5 people.

Since this is an entirely new format, we will provide you with further information nearer to the first session. We are currently planning to use the application "**Zoom**".

**Registration is binding.**
