# Why a Welcome Centre?

- Approximately **350 – 400 international researchers** (post-docs and professors) come to Goethe University every year (an estimate of **80% so far register with the GWC**).
- A **central (but voluntary) registration** of international researchers is required for a systematic implementation of GU's internationalization strategy.
- **Target groups:**

- Most relevant information for different phases of a stay in Frankfurt is provided online: [www.uni-frankfurt.de/gwc](http://www.uni-frankfurt.de/gwc)
