

The EU's new framework programme for research and innovation **Horizon Europe** was launched on 1 January 2021. The RMU strategic alliance offers the series of info sessions **Rhein-Main goes EU**. Here you can get an overview of new funding opportunities and gain insight into how to best prepare your proposals. The following event is on:

Cluster 5: Climate, Energy and Mobility

Host: TU Darmstadt, EU Reserach Support „[EU for You](#)“

Speaker:

Gertrud Frankenreiter ([NKS-Umwelt](#)), Simon Serowy ([NKS-Energie](#)), David Dörr ([NKS-Verkehr](#))

Di, 23.03.2021: 10 – 12 Uhr

This event provides insights in Cluster 5 „Climate, Energy and Mobility“. After a brief introduction in the reserach framework „Horizon Europe“ the six Destinations and related political ambitions are presented. Afterwards an open discussion in three digital spaces with the speakers on „Climate“, „Energy“ and „Mobility“are possible. A final discussion with all participants brings together the main aspects of the three discussions and allows for a general overview on all subjects in the Cluster.

The event is explicitly open for participants from the industrial sector as cross-sectoral cooperations are wished for by the EU. You are very welcome to invite members from your network!
